

Covid-19 measures

It is with great pleasure that we will soon be able to welcome you to our establishment.

The health of our customers and employees is naturally a priority for us. All the necessary health measures have been put in place in our establishment, while guaranteeing you optimal comfort and top-quality service in our restaurant and our rooms.

To help you to prepare your stay, here is the list of measures implemented:

Restaurant/Bar :

- Our bar and restaurant are open normally and have been reorganised to respect a distance of 1 m 50 between people. We recommended to make a reservation to guarantee you a table.
- The choice and quality of our breakfasts remain unchanged. Access to the buffet has been halted; instead our personnel will be happy to serve you at your table.

Wellness/Soins :

- The Wellness area is accessible only by booking at the reception, 5 time slots per day are available with a maximum of 2 hours (from 8.30 am to 8.30 pm) 19 € per person.
- Our treatments and massages in individual booths are available by booking.

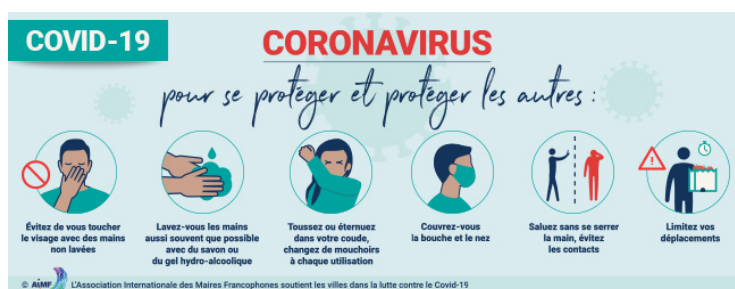

Rooms :

- Our rooms are disinfected, and all consumables are replaced after each usage.
- If you are staying with us for several days, room cleaning by our staff will only take place on request by hanging the card on the door of your room: "Please make my room". Without this card, our staff are not allowed no entrance into your room.

General :

- Wearing a mask is not compulsory for our customers, but it is recommended to wear one when moving around.
- However, masks must be worn by all our personnel, except at the reception desk which has been fitted with protective Plexiglas screens.
- Please follow the arrow signposting put in place in the hotel.
- Keep 1.5 m between yourself, the personnel, and other customers, except for people accompanying you.
- If you show any symptoms of the disease, do not take risks, and avoid any movement around the establishment.

Our entire team is delighted at the prospect of welcoming you back to the hotel!

Protect yourself and protect others:

Avoid touching your face with unwashed hands	Wash your hands as often as possible with soap or hand sanitizer	Cough or sneeze into your elbow and throw tissues away after each use	Wear a mask over your mouth and nose	Greet without shaking hands and avoid physical contact	Limit your movements
